## INTERMUNICIPAL AGREEMENT AMONG THE TOWNS OF DURHAM AND CAIRO

This Agreement is made by and between the **Town of Durham and the Town of Cairo**, ("participating municipalities"), each being municipal corporations located within Greene County, New York.

Whereas, this agreement is made pursuant to General Obligation Law §119-0 and,

Whereas, it is in the interest of the taxpayers of the **Towns of Durham and Cairo** to share resources in the undertaking of public works and other municipal improvement projects and services; and

Whereas, each party hereto has certain highway, non-highway, specialty equipment and/or skilled personnel (including equipment operators) which may be available from time-to-time; and

Whereas, it is possible to make such equipment and/or personnel for use by others when it is in the public interest; and

Whereas, such cooperative efforts are generally of short duration, unanticipated and/or emergency situations; and

Whereas, it is expected that assistance, in what ever form, will be reciprocal and roughly equal over a period of time, and that the exchange and sharing of equipment and personnel will result in more cost effective work performance at minimal extra cost to either party; and

Whereas, flexibility in operating local governments and their public works programs is necessary to insure efficiency and maximum benefits; and

Whereas, each party has authorized their respective highway or public works superintendents and/or other appropriate department heads to act using their discretion pursuant to this Agreement; and

Whereas, general oversight by appropriate municipal officials will be accomplished through regular, periodic and annual reports by the appropriate department heads to their respective Towns; and

Whereas, it is determined that while liability risks are inherent when undertaking public works and other construction or maintenance projects, no substantial additional risk is occasioned by crossing a municipal boundary line when assisting other municipalities pursuant to this agreement; and

7. No waiver of any breach of any condition of the agreement shall be binding unless in writing and signed by the party waiving said breach. No such waiver shall in any way affect any other term or condition of this agreement or constitute a cause or excuse for a repetition of such or any other breach unless the waiver shall include the same.

8. A participating municipality employee(s) shall be considered a shared employee(s) with another participating municipality on whose highway project they are working. However, nothing in this Agreement alters the employment relationship between a participating municipality and its' respective employee(s).

9. This Agreement shall be in force for the period of \_\_\_\_\_ to \_\_\_\_\_ and shall automatically be extended each year for another one year period unless one of the parties notifies the others on or before December 1 that said municipality wishes to withdraw from this agreement for the ensuing year.

10. The Board of each participating municipality has authorized its Supervisor and Highway Superintendent to execute this Intermunicipal Agreement.

11. This agreement may be signed in counterpart by the respective municipal officials.

12. This agreement constitutes the complete understanding of the parties. No modification of any provisions thereof shall be valid unless in writing and signed by both parties.
