

LEAVE A LEGACY

Do you have a desire to leave your mark on the world? Would you like to create a loving memory of a loved one or a friend or maybe leave a lasting legacy in your name that will forever be part of the Town of Cairo?

The new Cairo Public Library will be completed this year and will be the centerpiece of the Town Hall Campus and you or your family or your group can be a permanent part of the finished product.

The new Library will include a new community meeting room, numerous computer work stations as well as adult, teen and children's rooms and so much more, all of which can be sponsored by you or in the name of someone you choose. Please take a look at the various sponsor levels on the back of this form and consider being a part of the New Cairo Library at its initiation as well as being recognized for your support in the future. The Cairo Public library will be the storehouse of all human achievement and your chosen memory.
