

_____ fully supports the Town of Cairo's application for funding through the Office of Parks, Recreation, and Historic Preservation's Grant Program for park improvements at the Angelo Canna Town Park. Funding through this program will assist Cairo in creating a more inclusive park offering facilities for seniors, as well as, ADA accessible play equipment

Improvements to the park include new inclusive ADA play equipment within an expanded play area, an accessible fitness loop with multiple senior fitness equipment stations, a repurposed multi-sport court, two (2) new pavilion shade structures, two (2) redefined and repaved parking areas, new shade trees, a new gathering area with seating, and accessible pathways leading to new and existing park amenities. We believe these improvements will meet a variety of needs and interests, encourage social cohesion, belonging, and public health through outdoor physical activity, and further enhance this Town Park as a destination for visitors near and far.
