

TOWN OF CAIRO

NY Forward

Public Engagement Meeting

WHAT IS YOUR VISION FOR OUR TOWN?

The Town of Cairo is applying for the **New York Forward** program - a revitalization grant that funds transformative projects in small towns and villages.

We're searching for input from residents to craft our "vision statement" and plan transformative projects.

Share your ideas for new, transformative projects!

We should improve our sidewalks...

Another pocket park?

My business needs a new façade!
